Increase Your Technology IQ in "Think Tank"

Because of the nature of Information Systems, and BDPA's long history of involvement in state-of-the-art information processing, the organization has attracted and developed some of the best minds in the country. **YOUR MEMBERSHIP AND INVOLVEMENT in BDPA Cleveland gives** you a connection and Instant Access to the combined knowledge and experience of BDPA members Nationwide.

This connection and access is possible through newsletters, on-line forums, sub-groups within the national organization, and the ability to connect with others outside your immediate work and geographical area.

Develop/Enhance Management Skills

One of the quickest and most effective ways to develop or enhance skills valuable to your professional growth, is through the process of assisting in the operation of a dynamic and relevant organization.

- **BDPA** offers the opportunity to learn and hone your skills in a variety of areas, including Communications, Management, Marketing, Public Relations and Sales.
- **BDPA** offers a safe and supportive learning and sharing environment, featuring goal-oriented projects, where you have the opportunity to develop and implement real-world solutions.

CONCURRING OPINIONS BELOW:

"Once people have experienced real synergy, they are never quite the same again."

Stephen Covey - *7 Habits of Highly Effective People*

"We grow from people and projects, and your professional development sometimes requires that you step outside your comfort zone and into uncharted territory. BDPA has been instrumental in my increased confidence and belief in myself."

From *Success is You*

"One excellent platform for networking is professional groups and associations"

Phillip J. Stella, COSE

"Because of the associations he formed, because of the challenges he undertook, because of BDPA, today this individual is making a living doing that which the aptitude tests and society told him he could not do."

From *The Power of Association*
